

Sonoma Racquets Etiquette

Match Scheduling:

- The League Admin will provide suggested weeks to schedule each match.
**Please try to stay on schedule so you don't end up having to jam multiple matches in at the end of the season.

Rescheduling:

- Each match can be rescheduled once as long as you give your opponent 24 hours notice.
If you give your opponent less than 24 hours notice, they have the option of taking the win, "you forfeit" or they can choose to accommodate you and reschedule.

Behavior:

- The main goal of this league is for player's to "have fun". Please don't wreck the league for other players by being disrespectful on the court.
- Incidents on the court that arise based on poor line calls, obnoxious behavior, and poor sportsmanship, have to be settled on the court. If you are on the receiving end of an opponent behaving poorly, try your best to take the high road and avoid escalating the situation. After the match is done, report the player's behavior to the league. While officials from the league won't be there to watch the matches, if enough complaints are heard about a player, they will be reprimanded.
