

TENNIS FALL 2019

Season: September 9th —November 25th

Entry Deadline: August 30th

League Admin will place players in Divisions based on USTA rating (or questionnaire if not rated)

Expected Matches: 8 - 12

Format: 2 out of 3 sets, regular scoring

How It Works:

1. League admin provides contact list of opponents
2. Players coordinate with each opponent to schedule matches at times/dates that work for each player.
3. 'Home' player chooses the location of the match

Why Sonoma Racquets:

1. Gain match experience in a low pressure setting: USTA ratings are not affected by results from matches, which leads to a more enjoyable experience for all players.
2. Matches are played when it's convenient for you. Players are not subjected to set play times such as 'Weekday mornings'.
3. Meet new players that can become future practice partners and/or friends.

4. No additional team fees or court rental fees.

5. Explore other racquet sports such as Spec Tennis or pickleball.

6. Personalized Match Analysis available. League admin offers service to film your matches and analyze how you can improve your play.

7. No team needed. Players don't need to find a team to join and deal with the politics that come with being on a team of sometimes 20 plus players, and not getting placed with partners you want to play with or not getting enough playing time.
